Well we survived the FTF and SW Jr Cup Meets! Thanks to all of the parents for all of your help in pulling off two great meets! I think this was the fastest set up and tear down ever!

Southwest Boys team is proud to announce the arrival of baby Jessie Phipps! She is sooo cute we just can't seem to stop passing her around! ☺ Rumor has it that Brock is going to get brave enough to hold her soon!

FUNNY THE WAY IT IS

We're not laughing at you we are laughing with you ☺

People/Sean wear a helmet when riding your bike or your friends bike and also remember that the hand break on the left operates the front tire! ☺ This may cause sudden forward flipping action that may result in slight head trama...glad that you are ok buddy!

Pirate for hire...if you need an authentic pirate for your next event you need to contact Mason's parents because he is a perfect little Johnny Depp ☺ Arrrrr matey can you learn to keep your peg legs straight and point your toes? ☺

Jacobs ring scores are getting higher now that he is doing the inlocates and dislocates in the correct order ☺

Hey Lucas maybe you will score higher on floor and vault if your shorts aren't on backwards? Pro Tip the GK goes in the front! Also stay away from Lucas because he has Lucas Leg!

ASK THE COACH

Ok you get to submit questions, which will be answered throughout the season.... Still No questions submitted? Wow you people make my job easy for this section ☺
